INFORMATION UPDATE CARDS: Newer Information update cards will be in your bulletins to fill out and return. These cards will be used to update our church database (Power-church) as well they will be used to create a new Church Pictorial Directory that will be maintained every year. Cynthia Habinski will oversee this project. As a minimum we ask that you take the necessary time to fill out completely the cards provided. (Even if it seems repetitiously). So if you have had any changes in the recent Canada Post personal mailing information or perhaps a change in email or phone numbers, etc... this is an excellent opportunity to bring these records up-to-date. At a later date photos will be required so that we can match the face to the names! Thank you for your support in this .
