## WELCOME TO OUR GUESTS

*We are glad you joined us today and pray God's blessings on you as you worship with us. If you have children with you this morning, we provide a summer worship experience that is uniquely theirs at Summer Junior Church. It takes place each Sunday morning for all children ages 2-10. Children will remain in the worship service with their families until they are dismissed to their class, to allow for a family worship time before class. Parents please sign your children into their classes each week, and directly following the worship service please sign them out. Activity packs are available for older children who remain in the summer worship service.*
