To Whom It May Concern:

#### **RE: Vulnerable Sector Check**

Middleton Baptist Church requires that all volunteers having personal contact with children, youth and vulnerable people have a criminal record check including a vulnerable sectors check.

This person will be in a position of trust, voluntary or paid position, dealing with vulnerable people. The position will be one that will cause the individual to have authority over, or trust of, children or vulnerable persons.

This person will come into contact with all vulnerable people at some point. These areas of trust include, but are not limited to: nursery, children, youth, vulnerable people, community events, church events, camp, etc... This person will be working with children ages 0-18, but will also interact with vulnerable people of all ages.

Please accept this letter as a request to allow the bearer to undergo a criminal records check with your detachment. Volunteers have been advised that they need to bring two pieces of ID along with this letter to your office.

Thank you for your cooperation in our effort to make our organization, and our community, a safer place to live and volunteer.

Sincerely,

Lindsay Locke

Director of Children's Ministry, Middleton Baptist Church
